LB 285

SENATOR MURPHY: We are saying to the people, or at least at one time I thought we were, that we will limit the expenditures of this state and thereby limit the taxes we extract from...(interruption)...I assume that there's some kind of a message there. I'm asking that we limit the expenditures of local governments as we promised that we would do if the citizens would not put us under a constitutional lid. That is all in the world this provision does. It extends the limitation of expenditures and thereby extends the limitation of taxes. I move the adoption of the amendment.

SPEAKER MARVEL: The motion is the adoption of the Murphy amendment. All those in favor vote aye, opposed vote no. Have you all voted? Have you all voted?

SENATOR MURPHY: The overwhelming support continues. Record.

SPEAKER MARVEL: Clerk, record the vote.

CLERK: 14 ayes, 11 nays on the adoption of the amendment, Mr. President.

SPEAKER MARVEL: The motion lost. The next amendment.

CLERK: Mr.....

SENATOR KEYES: Senator Marvel.

SPEAKER MARVEL: Senator Keyes, for what purpose do you rise?

SENATOR KEYES: I rise, Senator Marvel, to ask that the amendment that I have up there be withdrawn and the other senators that have a couple up there withdraw and advance this bill, and we will go at it again on Select File.

SPEAKER MARVEL: Does Senator...does Senator....

SENATOR KEYES: Let it go on to E & F then, whatever we want it...

SPEAKER MARVEL: Okay, Senator Keyes, asks unanimous consent to withdraw his amendment to LB 285. Hearing no objection, so ordered. Next amendment.

CLERK: Mr. President, Senator Murphy moves to amend LB 285. (Read Murphy amendment as found on Page 1664 of the Legislative Journal.)
